LIVE STOCK, CROP, ETC.

—W. T. Overby bought of James Ferguson, 20,000 pounds of tobacco, at 10 cents straight.

—Dr. J. T. Ware, of Cynthiana, sold to Nichols, of Lexington, a fancy New York gait mare, for \$500.

—J. L. Anderson, of Leesburg, sold to B. F. Buckley, of Centerville, a nice 3-year-old gelding, for \$125.

—It is estimated that 2,000 mules and horses will be shipped from Hardin county during the season.

—J. E. Boardman, of Little Rock, sold to U. S. G. Pepper 14 75-pound shoats at 3 cents, and 3 900-pound steers at 4 cents.

—According to the latest report of the Secretary of Agriculture there are 16,557,373 horses in the United States, the value of which is estimated at \$1,080,705,859.

—Kentucky formerly couldn't be excelled as an apple producing State, but for some years past it has been falling, until now it seems to have no rank in this line. Missouri is a great apple producer, but the fruit, so said by former Kentuckians, now of that State, doesn't compare in taste with that they used to get here.

HEMP SEED.—We have a lot of Pure Cultivated Hemp Seed. The kind that will raise a good crop of hemp.

General News.

The Town Board of Trustees, of Jackson, has decided to grant as many as three saloon licenses within the corporate limits. The anti-saloon advocates threaten an injunction.

Democratic leaders in Washington are giving Mr. Bryan some plain talk, telling him he has had his chance twice and should not attempt further to dictate to the party.

Sam Baughman, a negro, was detected in the act of blowing open the safe in the Louisville & Nashville ticket office at Lexington and was shot at by the agent. He was captured and lodged in jail.

Lewis Radford, a negro charged with murdering a negro woman at Guthrie, Saturday night, was lynched by a mob of his own race Sunday night. The mob shot Radford to pieces in jail, hanged his body to a tree and quietly dispersed. The body of the murdered woman was found on the roadside early yesterday morning.

SIMPLY BREATHE IT

A Few Minutes Use of Hyomei
Four Times a Day Cures
Catarrh.

The pleasantest, most convenient and the only scientific method for the treatment and cure of catarrh is Hyomei. Simply put twenty drops of Hyomei in the inhaler that comes with every package and then breathe it a few minutes four times a day.

It seems remarkable that so simple a way of treating catarrh will effect a cure, but the most important discoveries of science have always been the simplest. By breathing Hyomei in this way every particle of air that enters the air passages of the head and throat and goes into the lungs is charged with a healing balsam that kills the germs and bacilli of catarrh and soothes and allays all irritation.

The first day's use of Hyomei will show a decided improvement and in a short time there will be no further trouble from catarrh. Its action is rapid and lasting.

You take no risk in buying Hyomei. A complete outfit costs \$1.00, and if after using you can say that it is not helped you Clarke & Co. will return your money.

What other treatment for catarrh is sold under a guarantee like this?
